PROFILE

Hi! Thank you for viewing my CV. Let me tell you a bit more about myself. I'm a junior producer with an extensive background in production management & service production. I consider myself a real problem solver with an enthusiastic, can-do attitude and the ability to maintain a calm working environment, especially when the sh*t hits the fan. With over 10 years experience in television and commercial productions in a variety of different roles, I look forward to continuing my collaborations with old & new clients & perfecting my craft in the production world.
