Other Information:

I am an ambitious professional who is passionate about the broadcasting industry. I thrive when working as part of a team and my experience of working in live and high-pressured environments has aided me to work and solve problems quickly. I am a determined worker and maintain a positive attitude throughout challenging situations.

Throughout my Career I have gained a great deal of experience working as Camera Operator and Camera Assistant on many jobs ranging from very technically demanding hidden camera and multi camera shoots to creative single camera commercials and dramas, many of my credits can be seen in the list above.

I also have a lot of experience working in kit rooms and this has equipped me with a great technical knowledge and understanding of many camera systems and set ups. This has enabled me to adapt well to difficult situations on location and allowed me to work quickly and reliably to ensure the job runs to schedule.
