PROFESSIONAL PROFILE

Camera trainee with experience working on commercials and broadcast productions with a broad range of camera systems. Experience working as a camera technician at Panny Hire Camera Hire where he can keep up to date with the latest camera systems and equipment, this has also given him the ability to problem solve and resolve faults which is invaluable on set. Positive attitude and a reliable team player, works well in high pressure environments and understands on set health and safety. Full clean UK driver's licence with experience driving vans, happy to travel around the country and abroad if required.
