

Jack Cowhig

Production / Locations Assistant

HELLO !

I'm looking for production / locations work across the UK, having worked on various shoots from commercials, docs to features I have a varied background which I can adapt to any work you have available.

I'm ready to give a hand wherever needed to make sure your production runs as smoothly as possible. I speak English and Spanish with fluency.

Skills include : Experience of clearing music and archive rights general office duties (printing, filing, distributing post, front of house phone), Arranging travel, accommodation and transport Transcribing/logging, Fee or location negotiation

 **Edinburgh/ Available UK Wide**
