

CURRICULUM VITAE

JON HILLYER - Lighting Cameraman

With over 20 years professional experience as a lighting cameraman and photographer, I have worked in the UK, Europe and worldwide on programmes ranging from documentaries, current affairs, entertainment, news and sport.

I have worked for all the major UK broadcasters and have extensive hands on knowledge of all current broadcast formats & production techniques. I work to the highest of standards and I can supply excellent references for recent work if required.
