Bright Assessing Recruitment	Saul Gittens		Camera Assistant	Arri Alexa

I am a hard working and enthusiastic camera assistant, able to build and maintain productive working relationships across all levels. As well as assisting I have gained a fair bit of focus pulling experience and am currently taking step-up work as a focus puller. I have over 8 years experience and a competent working knowledge of a large number of different camera formats both film and digital.

Additional Training – "GBCT Trainee Course 2012"
