

Khulu Khabo

Runner/Camera Trainee

I am a hardworking driven person, I have the qualities needed to be a strong team player, I have a sense of urgency to react to fast-paced environments, and can communicate well with new people. I have graduated from university and I'm currently seeking an entry-level role within the film industry to allow me to progress further. I have made many short films during my studies and I have also created many video-based projects as a videographer. My aim in the film industry would be to become a cinematographer in the years to come. **GDPR Statement This CV can be kept on record for future needs. Reference available upon request.**
