Having only graduated university in June 2019, I've been lucky enough to work for a variety of studios and productions (Netflix, Channel 4, BBC) I'm now looking to take a step up to Junior Researcher/Production Secretary. I'm still more than happy to work as a Runner if those roles are not available.

Key skills-

- Handling floats of up to £1000
- Working with talent and contributors
- Basic knowledge of the Adobe package (Photoshop, Premier, Illustrator)
- Excellent knowledge of Microsoft Office
- Creating production documents (Recces, Risk assessments, movement orders)
- Background checks
- Excellent communication, organization and time management skills
