Luke Rufo - ITV Tonight - Shooting Director/Producer - luke.rufo@multistory.tv

"I have known Liam for 5 years and have worked with him professionally at ITV for the past 2 years. He has shot sequences and interviews for broadcast on ITV1 prime time. He is extremely knowledgeable and uber talented with an infectious passion for all things camera related. His work ethic is second to no one I have ever worked with - he will be available at a moments notice and always on hand to help out."
