Broadcast Experience

Floor Runner | Newark, Newark

UK Gold TV, Scripted Comedy "Newark, Newark" - Nottingham - November/December 2021

Was part of the AD team dealing with the movement of cast and SA's on location. It was my responsibility to ensure members of the cast were at fittings at the right time and on set when needed therefore helping the show as a whole run on time. I also aided rehearsals and read throughs during prep week and supported all departments throughout filming.

Production Runner | Lifted Entertainment

ITV, Entertainment "The Voice Kids" - January/February 2022

As part of the production team I was based in Media City during pre production compiling travel itineraries and helping general office admin. During filming I was based at Elstree studios tasked with act movement and ensuring that standards were upheld in regards to child licensing and time spent in the studio. I also coordinated aspects of the shoot such as the filming of the contributors' arrivals. In post production I was responsible for retrospectively logging interviews for the edit and the return of kit.
