Based in: Manchester, London

Clean UK Driving License / Own car.

About Me: I'm a reliable, proactive, and experienced Runner with a strong understanding of on-set operations. I'm used to working in fast-paced environments, assisting across departments, and ensuring everything runs smoothly. Known for being organised, adaptable, and enthusiastic, I take pride in anticipating needs, staying calm under pressure, and helping the team get the job done efficiently. I'm continuing to build my experience in Production Assistant roles while remaining open to runner work and am happy to support productions at any level.
