DIT // DATA MANAGING // DAILIES CREATION // VERIFICATION //

I'm a Midlands based DIT. Experienced on a large range of digital formats with years of experience in Feature Documentary. I work regularly all over the world for both UK and US broadcasters. Previously I spent a decade as a Professional Soldier serving on operations worldwide and so regularly booked to work in challenging and extreme conditions including Deserts, Mountains, Jungles and Oceans. Get in contact and we can go from there!
