Sam is a London based focus puller with over 8 years experience in the film and tv industry.

Sam has experience in all digital formats and 16/35mm film and will bring technical expertise to your camera department. With a selection of equipment available for wet and dry hire from monitors to focus systems, Sam is always looking for opportunities to further his skillset and passion for the industry.

Sam also has a base in the north west of England and is available nationwide/worldwide subject to international restrictions and clearances.
