ABOUT ME

Location Sound Recordist with over 15 years of experience delivering high-quality audio for global streamers and major broadcasters. I specialise in fast-paced, multi-camera documentaries, commercials, and factual entertainment. I have a proven ability to maintain the highest sound standards, even when working in challenging or unusual conditions.

I've been lucky to travel and film all over the world with highlights including America, Australia, Algeria, Mexico, Iceland, Tahiti, Brazil and Jamaica.

I have a comprehensive state-of-the-art location sound kit built for the most demanding and technical setups.

Full UK driving license and Uk Passport, available to work UK and worldwide with bases in Leeds and Oxford.
